

APRIL/MAY 2026

happy spring!

The temperature outside is *finally* getting warmer, and inside our studios, our dancers are also turning up the heat! Everyone is working really hard to learn and rehearse their recital pieces. Teachers are finishing choreography in the next little while. Meanwhile, the costumes have arrived and will soon be distributed.

Our talented competitive team had an incredible start to the season at Elevation Dance Challenge, at the end of March. Our team performed with fierce determination, and displayed great spirit, kindness, and respect for each other and the other competing studios. Their hard work paid off and CSSOD took home Third Place for Top Scoring Studio! Congratulations!!

We have some very important dates and information in this newsletter. Please keep this handy so you can reference the details at a later date!
